Dear Sir/Madam,

Thank you for sending me the information regarding grants available from The Council for Tobacco Research . I have reviewed the materials and now would like to submit an application. Thus, I would like to obtain the necessary application forms for the current application year. Also, if there are any other applications or pieces of information that are required, I would appreciate receiving them. Thank you for your cooperation in this matter and I look forward to hearing from you in the near future.

Sincerely yours,

David T Harris
